

Financial Policy for The Center for Facial Plastic Surgery

Dear Patient,

Thank you for choosing The Center for Facial Plastic Surgery. We would like to explain our financial policy in advance in order to avoid any misunderstanding.

There is a one-time fee of \$95.00 for a surgical consult. It does not go towards your procedure.

We require a non-refundable deposit in order to schedule a surgery under twilight sedation and the balance in due in full 2 weeks prior to surgery. If surgery is cancelled within the 2 weeks the total is non-refundable. All other procedures require payment in full at the time of service.

Dr. Churchill has opted out of Medicare, therefore there is no coverage if you are a Medicare recipient. Dr. Churchill is a non-participating provider for all other insurance plans, therefore any qualifying procedures would go towards your out of network deductible and get minimal reimbursement to the patient, if any at all.

To maintain compliance with our NON-insurance contracts, we are NOT able to submit cosmetic/self-pay services for reimbursement. Under no circumstances can we bill after the fact in these situations.

Please be sure that a parent or guardian accompanies patients under the age of 18, otherwise we reserve the right to refuse treatment.

We appreciate your cooperation in this matter. These policies were adopted in order to provide all patients with the best possible professional care. We feel that clear communication in advance helps to contribute to the best relationship with our patients.
